CRIFA922

Design and innovation come together to transform your bathroom into an experience of style and well-being. Like the lighthouse that dominates the coasts, the FARO series emerges as a point of reference in the bathroom environment. It doesn't just illuminate but defines, guides, and adds character. The clean, balanced lines combine with sophisticated details, creating a visual harmony that captivates the eye and imagination. The series reinterprets tradition with a contemporary touch, blending classic and modern forms. One of the design features is the interplay of cylinder diameters at the mixer's extreme points, such as the base, spout, and lever, lending the product a sculptural elegance. Each mixer is designed to offer an intuitive and pleasant experience, meeting the needs of modern living. Every gesture, every detail, is designed to offer a balance between functionality and aesthetics, elevating daily comfort to a higher level.
