

CRISTINA

Installation Instructions

CRIFT22151 | Fractal Series | Chrome

Before installation

Installation must be carried out by a competent plumber. Check the full SKU, finish and supplied components. Verify the original drawing against the supplied product before drilling or making cutouts. Isolate supplies and protect finished surfaces.

Model and assembly

Regular single-control deck-mounted single-hole washbasin mixer, with mechanical mixing, 1 1/4" with pop-up waste

Connections and fitting

Flush the pipework thoroughly before connecting the product. Follow the connection sizes, mounting ranges, pressure and temperature limits in the appended manufacturer instructions. Use the supplied fixing parts and keep service connections accessible.

Commissioning and handover

Open the supplies gradually, inspect all connections for leaks and check operation of each fitted outlet, control and diverter. Resolve any leak before handover. Give the owner the manufacturer instructions and care guide.

Original manufacturer instructions

The original leaflets linked by Cristina for CRIFT221 follow, including shared assembly diagrams where applicable. Follow the actual model and supplied parts. Product pictures are not installation templates.
