## Installation Instructions

CRIRT32696P | Rota Series | PVD Brushed Gold Brass | Matching metal controls

### Before installation

Installation must be carried out by a competent plumber. Check the full SKU, finish and supplied components. Verify the original drawing against the supplied product before drilling or making cutouts. Isolate supplies and protect finished surfaces.

### Model and assembly

Dual-control deck-mounted single-hole bidet mixer, with mechanical mixing, 1 1/4" Up&Down waste

### Connections and fitting

Flush the pipework thoroughly before connecting the product. Follow the connection sizes, mounting ranges, pressure and temperature limits in the original manufacturer guidance. Use the supplied fixings and keep service connections accessible.

### Commissioning and handover

Open the supplies gradually, inspect all connections for leaks and check operation of each outlet, control and diverter. Resolve any leak before handover. Give the owner the manufacturer instructions and care guide.

### Original manufacturer instructions

The original leaflets linked by Cristina for CRIRT326 follow. Shared diagrams may show several models. Follow the actual supplied parts. Product pictures are not installation templates.
